 a) down b) over c) along d) away

3. Read and complete the text with the words in the box: (2 Marks)

lights – reuse – save – waste – simple

We want to keep our planet clean and safe for everyone. It is a (1).............................. job to help the Earth every day. We must not (2).............................. water when we brush our teeth in the morning. Always turn off the (3).............................. before you leave your room or the kitchen. We can also (4).............................. old jars to keep pencils or small toys inside them. Small actions make a big change.

4. Read the following text, then answer the questions: (7 Marks)

My best friend, Youssef, plays video games every weekend. He says they are exciting. However, he never thought they could help him learn. One day, his uncle, who is a scientist, gave him a puzzle game. He said, "Try this for fun. It's educational, too." Youssef played for ten minutes. He had to put pieces together and think quickly. He liked it! Now he plays every Saturday. He says his mind feels stronger. He can solve math problems faster. His teacher says his skill in thinking has improved. Youssef didn't believe games could help, but now he says, "I didn't know games could be good for my brain." He still plays action games, but he also plays brain games. He says, "I play to have fun and to grow my mind." He even gave advice to his classmates. He says, "Try a brain training game. It's good for your development."

A) Choose the correct answer from a, b, c, or d: **(half a mark each)**

1. Youssef's uncle is a ....

   a) teacher b) player c) scientist d) doctor

   a) do b) harm c) cause d) reason

3. Read and complete the text with the words in the box: (2 Marks)

learning – fun – fan – shy – concentration

Playing educational games can help you develop your mind. I used to think at games were only for (1)........................, but now I believe they can be good for (2)........................ too. A brain training game helped me improve my memory and (3)........................ . My friend, who is (4)........................, joined me for fun, and now she says she feels better. Scientists say that if you play these games regularly, your brain grows. It's not magic. It's exercise for your mind.

4. Read the following text, then answer the questions: (7 Marks)

The Earth is our beautiful home. We need to keep it clean, healthy, and safe. There are many simple ways to help the planet every day. First, we should not waste water. When you brush your teeth, turn off the tap. Second, we must recycle paper, plastic, and glass. This helps stop pollution. It keeps our air fresh and clean. Third, we can plant more trees. Trees give us clean oxygen to breathe. They are homes for birds and animals. Finally, do not throw trash on the ground. Put it in the garbage bin. If we all work together, we can save the Earth. It is very important to care for nature. Let us make the world a better place for everyone to live happily.

A) Choose the correct answer from a, b, c, or d: **(half a mark each)**

1. The main idea of the text is about ....
   a) brushing teeth   b) helping the Earth
   c) planting flowers   d) drinking water

   a) -ation b) -ness c) -ive d) -y

3. Read and complete the text with the words in the box: (2 Marks)

achievable – difficult – breaks – distractions – methods

If you want to learn better, start by finding a quiet place to study without (1).................... like TV or loud music, so you can focus and remember more. Take regular (2)...................., study for 30–40 minutes, then rest 10 minutes to let your brain process information. Use different learning (3)...................., like writing notes, drawing diagrams, or explaining topics to friends. Finally, set small, (4).................... goals.

4. Read the following text, then answer the questions: (7 Marks)

When Salma opened an old wooden box, she was surprised. The box looked plain from the outside, but it felt special in her hands. Carefully, she took out a folded, yellowed letter. The paper was old, and the ink had faded, but the words were still clear. Many years ago, her grandfather had written the letter to her mother, wishing her courage, kindness, and hope. As Salma read it, she felt she was holding more than paper—she was holding her family's memory. She imagined her grandfather writing each word with care. Smiling, Salma realized the letter had been kept for generations, and now she was part of the story, ready to carry her family's love and wisdom forward.

A) Choose the correct answer from a, b, c, or d: **(half a mark each)**

1. The main idea of the text is ....
   - a) Salma found a box full of treasures
   - b) Salma wrote a letter
   - c) Salma cleaned a box
   - d) Salma discovered a family letter
2. .... wrote the letter.
   - a) Salma
   - b) Salma's mother
   - c) The grandfather
   - d) Salma's friend

B) Answer the following questions: **(2 marks each)**

3. What did Salma take out of the box?

....

4. How did Salma feel while reading the letter?

....

5. If you were Salma, which would you focus on most in your own life: courage, kindness or hope? Why?

....

5. Story (4 Marks)

A) Write True (T) or False (F): **(2 Marks)**

1. Baloo taught Mowgli how to hunt animals only. (..................)
2. Mowgli stole burning coals from the human village secretly. (..................)
3. Shere Khan planned to kill Mowgli by using a herd of cattle. (..................)
4. The Bandar-log monkeys were honest and loyal. (..................)

B) Answer the following questions: **(2 Marks)**

5. What two kinds of knowledge did Mowgli carry?

....

6. How do you think Mowgli felt when he joined the wolf pack?

....

a) nations b) villages c) farmers d) tribes

3. Read and complete the text with the words in the box: (2 Marks)

unkindness – kindness – dragon – candle – village

Lina loved adventure stories. Her favorite was about a young girl who lived in a quiet (1).......................... . One day, a huge storm hit the town. A magic (2).......................... quickly came to help her family. A small (3).......................... became a bright torch, and a broken cart turned into a strong boat. She wore a warm coat and soft boots as she helped people to keep safe. Everyone admired her (4).......................... and helpfulness.

4. Read the following text, then answer the questions: **(7 Marks)**

Our beautiful planet Earth has many big problems today. Pollution is very bad for the air and water. We need to help the environment now. Technology is a very useful tool for us. Scientists write environmental reports on computers to show us facts. These important reports tell us where the pollution is. Drones are small flying machines that can see trash in the ocean. **They** take pictures, so we can clean it up. Satellites in space watch our green forests. They show us if trees are cut down. We can use this new technology to solve difficult problems. If we read the reports, we will know how to save nature. We must work together to keep the Earth happy, clean, and safe for everyone.

A) Choose the correct answer from a, b, c, or d: **(half a mark each)**

1. The main idea of the text is ....
   a) how to fly a drone b) swimming in the ocean
   c) using technology to help Earth d) writing on paper
2. The underlined pronoun "**They**" refers to the ....
   a) computers b) drones c) reports d) scientists

B) Answer the following questions: **(2 marks each)**

3. What do satellites in space watch?
   ....
4. Why are environmental reports important?
   ....
5. How do you think drones help us clean the oceans?
   ....

5. Story **(4 Marks)**

A) Write True (T) or False (F): **(2 Marks)**

1. Mowgli learned that true friendship comes from loyalty and respect. (............)

Now, I (4).......................... more courage every time I speak.

4. Read the following text, then answer the questions: **(7 Marks)**

Every morning, our school bus arrives early, and we sit in our seats quietly. The bus driver greets us with a smile and reminds us to wear our seat belts. The ride to school is usually calm, and we enjoy looking out of the windows at the trees and shops. On the wall of the bus, there is a sign that says: "Stay safe and stay seated." If someone forgets the rule, the bus monitor kindly helps them remember. One day, the bus stopped suddenly because a cat crossed the road. We were surprised, but the driver kept us safe. When we arrived at school, we thanked the driver. I learned that riding the bus is not just about traveling; it teaches us safety and kindness.

A) Choose the correct answer from a, b, c, or d: **(half a mark each)**

1. The word "greets" in this passage means to ....
   a) clean something   b) say hello
   c) sit alone   d) run away

4. My grandparents have lived in this house for several ....
   a) minutes b) decades c) moments d) seconds

3. Read and complete the text with the words in the box: (2 Marks)

energy – recycling – solar – plastic – storm

We can do many good things to help our Earth every day. One easy way is (1).......................... old paper and bottles to use again. We should also try to stop using so much (2).......................... in our houses. Using clean (3).......................... to make electricity is also a very smart idea. We can put (4).......................... panels on our roofs to get power from the hot sun.

4. Read the following text, then answer the questions: **(7 Marks)**

Sara and Lina are discussing careers. Lina explains that interests and values shape job choices. People who enjoy nature may become environmental scientists, while those who like helping communities could work in public service. Organized people might choose event planning or project management. Lina believes values matter more than skills because they guide you to a career that matches your personality. Sara agrees, saying, "Jobs feel meaningful when they fit beliefs. My dream job is teaching. I enjoy explaining ideas and helping students learn. Teaching is challenging but rewarding, as teachers inspire confidence. I hope to teach English, an international language, and I am ready to work hard to achieve this dream."

A) Choose the correct answer from a, b, c, or d: **(half a mark each)**

1. The career that might suit someone who enjoys nature is a/an ....
   - a) event planner.
   - b) environmental scientist.
   - c) teacher.
   - d) public servant.
2. Lina thinks values matter more than skills because they ....?
   - a) make jobs easier.
   - b) guarantee success.
   - c) improve technology skills.
   - d) match personality with career.

B) Answer the following questions: **(2 marks each)**

3. What kind of job could organized people choose?

   ....

4. Why does Sara agree with Lina about values?

   ....

5. Do you think it is better to choose a job based on your favorite hobby or important values? Why?

   ....

5. Story **(4 Marks)**

A) Write True (T) or False (F): **(2 Marks)**

1. Shere Khan wanted Mowgli to be part of the wolf pack. (..................)
2. Bagheera offered the wolf pack an ox to accept Mowgli. (..................)
3. Everyone in the village trusted and respected Mowgli. (..................)
4. Mowgli protected the villagers only and did not help the jungle. (..................)

B) Answer the following questions: **(2 Marks)**

5. Who supported Mother Wolf?

   ....

6. What is the lesson we learn from Mowgli's story?

   ....

C Writing (10 Marks)

6. Rewrite the following sentences using the word(s) in brackets: **(4 Marks)**

1. Photographers have captured these natural wonders. (already)

   ....

2. After having breakfast, we went to school. (had)

   ....

3. Read and complete the text with the words in the box: (2 Marks)

keep – gratitude – promise – past – curiosity

One day, a farmer saved a small bird from danger and set it free. Later, the bird returned as a young man who showed (1).......................... by helping him on the farm. He asked the farmer never to ask about his (2).......................... . Afterwards, the farmer broke his (3).......................... . The young man disappeared, and the farmer learned to always (4).......................... his word.

4. Read the following text, then answer the questions: **(7 Marks)**

Nature has created **breathtaking** sights, such as glowing beaches in the Maldives, active volcanoes in Iceland, and giant icebergs in Antarctica, that have shaped the way people understand the world. Many photographers have captured these wonders to share their beauty with others. Mountains, deserts, and deep forests also show Earth's amazing diversity. These natural wonders remind us that Earth is full of secrets, and humans have only seen a small part of its magic. They encourage us to protect our environment, because nature has given us extraordinary places that deserve to be cared for. By keeping nature clean and safe, we can enjoy its beauty for many generations.

A) Choose the correct answer from a, b, c, or d: **(half a mark each)**

1. The main idea of the text is about ....
   a) famous photographers b) natural wonders
   c) glowing beaches d) volcanoes in Iceland
2. The underlined word "**breathtaking**" means ....
   a) amazing b) ordinary c) dangerous d) small

B) Answer the following questions: **(2 marks each)**

3. Name two natural wonders mentioned in the text.

   ....

4. Who captured the beauty of these natural wonders?

   ....

5. Why do you think it is important to protect natural wonders?

   ....

5. Story **(4 Marks)**

A) Write True (T) or False (F): **(2 Marks)**

1. Mowgli means "little frog". (..................)
2. Mowgli felt only happy after defeating Shere Khan. (..................)
3. Kaa helped Baloo and Bagheera rescue Mowgli from the monkeys. (..................)
4. Mowgli's victory over Shere Khan marked the end of his childhood. (..................)

B) Answer the following questions: **(2 Marks)**

5. Did Mowgli choose only one world in the end? Why?

   ....

6. If you were in the wolf pack, would you have accepted Mowgli as one of your own? Why or why not?

   ....

C Writing (10 Marks)

6. Rewrite the following sentences using the word(s) in brackets: (4 Marks)

treasure – pressure – precious – overjoyed – thankful

Basmala found a small gift on her desk: a (1)......................... necklace from her best friend. She felt (2)......................... and warmly said, "Thank you for your kindness." Her friend smiled and whispered, "I'm just (3)......................... for you." Later, Basmala wrote a message: "Your friendship is my (4)......................... ." The words faded a little with time, but not the gratitude in her heart.

4. Read the following text, then answer the questions: **(7 Marks)**

Many years ago, a poor and kind farmer was walking through the forest when he found a small bird trapped in a net. The bird was weak, so the farmer gently freed it and helped it recover. Suddenly, the bird turned into a young man. He thanked the farmer and promised to stay and work on the farm. They planted crops, shared meals, and lived happily together. However, the young man asked the farmer never to ask about his past. One day, **curiosity** made the farmer ask anyway. The young man felt sad and left forever. The farmer learned an important lesson: keeping promises is very important.

A) Choose the correct answer from a, b, c, or d: **(half a mark each)**

1. The story is mainly about ....
   a) a farmer planting crops
   b) making friends with animals
   c) how to walk in the forest
   d) a bird turns into a man
2. The underlined word "**curiosity**" means ....
   a) wanting to know things
   b) feeling very happy
   c) feeling very angry
   d) feeling very scared

B) Answer the following questions: **(2 marks each)**

3. What did the farmer find in the forest?

....

4. What promise did the young man make to the farmer?

....

5. Do you agree with the young man's decision to leave the farmer forever just because the promise was broken? Why or why not?

....

5. Story **(4 Marks)**

A) Write True (T) or False (F): **(2 Marks)**

1. Mowgli took burning coal from the jungle. (..................)
2. Shere Khan tried to defeat Mowgli by trapping him with cattle. (..................)
3. The wolves all welcomed Mowgli back after the fight. (..................)
4. Bagheera reminded Mowgli that he belonged only to the jungle. (..................)

B) Answer the following questions: **(2 Marks)**

5. Who promised to train Mowgli?

....

6. Why do you think Mowgli felt close to both worlds?

....

C Writing (10 Marks)

6. Rewrite the following sentences using the word(s) in brackets: **(4 Marks)**

   a) Cutting b) Recycling c) Destroying d) Producing

3. Read and complete the text with the words in the box: (2 Marks)

explore – interests – motivation – qualifications – stress

One of the most important decisions you can make is choosing the right career. A good career gives you (1).......................... and joy. First, you need to start with your (2).......................... . Second, you should consider your (3).......................... as some jobs require years of university study. That's why, students should (4).......................... many options before making a final decision.

4. Read the following text, then answer the questions: (7 Marks)

Laila moved to a new city last year. At school, some children said, "You don't belong here. You're from somewhere else." She felt lost and quiet. But her teacher told her, "Your identity is not limited to one place. You can carry your home in your heart and still make new friends." Laila thought about this. She didn't have to forget her old life to build a new one. One day, she joined the school play. She wore a royal costume and spoke. After the show, many students smiled at her. She realized: belonging isn't about where you're from— it's about who you are.

A) Choose the correct answer from a, b, c, or d: **(half a mark each)**

5. Laila felt lost at first because ....
   - a) she didn't like the teacher
   - b) some children said she didn't belong
   - c) she forgot her homework
   - d) she was sick
6. The teacher means by "identity is not limited to one place" is that ....
   - a) you must forget your past.
   - b) cities are better than villages.
   - c) only one home is real.
   - d) you can belong to more than one place.

B) Answer the following questions: **(2 marks each)**

7. How did Laila begin to feel accepted at her new school?

   ....

8. What kind of costume did Laila wear in the school play?

   ....

9. Can someone be kind-hearted and still feel lonely? Why?

   ....

5. Story (4 Marks)

A) Write True (T) or False (F): **(2 Marks)**

1. Shere Khan wanted to protect Mowgli from danger. (..................)
2. Baloo the bear gave an ox to the wolf pack. (..................)
3. The Bandar-log followed the Law of the Jungle carefully. (..................)
4. Mowgli became a bridge between man and nature. (..................)

B) Answer the following questions: **(2 Marks)**

5. Why did the wolves reject Mowgli?

   ....

6. Could Mowgli have found peace if he had only belonged to one world? Explain.

....

....

....

Listening Texts

MODEL 1

Listen to the text and answer the following questions:

My name is Salma. My dream job is to be a nurse. I like to help patients and give them treatment. My job requires me to communicate clearly, and take responsibility. I'm studying hard to get a university degree. My teacher says I must act like a professional. I want to inspire other young people to choose this career. I believe medicine is important for society.

MODEL 2

Listen to the text and answer the following questions:

A school day can be enjoyable if you follow simple steps. Wake up early, prepare your bag, and arrive on time. Greet teachers and classmates politely. Listen carefully, take notes, and ask questions without interrupting. Eat healthy snacks, drink water, and stay safe. After school, review lessons, finish homework, and avoid distractions. Planning helps you learn confidently.

MODEL 3

Listen to the text and answer the following questions:

The Earth is the special planet where we all live together. People call it the Blue Planet because it has so much water. The big oceans cover most of our world. There is also land where we build our houses and cities. The Earth goes around the sun one time every year. We must keep our planet clean and safe for animals.

MODEL 4

Listen to the text and answer the following questions:

Hassan lives in a small tribe in the desert. It is very hot there in the summer. They have three camels and some goats. They drink water from a deep well. At night, it becomes cold. Hassan likes to look at the bright stars. He eats dates and drinks milk every morning for breakfast.

MODEL 5

Listen to the text and answer the following questions:

As a guide, I teach tourists about desert safety. Last month, our jeep broke down 50 miles from town. We stayed calm and used mirrors to reflect sunlight to signal for help. We shared our water equally and wore bright clothes to stay cool. Working together helped us stay safe and comfortable until help arrived.

MODEL 6

Listen to the text and answer the following questions:

Welcome to my school! Students must follow the dress code and wear the school uniform every day. Sneakers and jeans are not allowed. Running in the hallways is forbidden, and students should respect teachers and classmates. In class, talking without permission is not allowed. Good behavior and following rules help keep the school clean and safe for everyone.

MODEL 7

Listen to the text and answer the following questions:

Hi, I'm Rana, and I am a journalist. I write news stories and interview people from many places. My job is exciting, but sometimes it is dangerous, especially when reporting fires or accidents. I always stay careful and aware to stay safe. Being a journalist teaches me to observe things closely and share important news with everyone.

MODEL 8

Listen to the text and answer the following questions:

Schools worldwide are using smart learning, which makes lessons fun with digital tools, songs, and stories. Instead of just memorizing, students explore ideas creatively and connect knowledge to real life. Singing helps with memory, pronunciation, and focus, while stories teach values and culture. Together, songs and storytelling make classrooms enjoyable, interactive, and full of learning opportunities.

MODEL 9

Listen to the text and answer the following questions:

Our planet is very important, and we all have to take care of it. Pollution, deforestation, and climate change are harming the environment. We can help by recycling, saving energy, and planting trees. Using less plastic and walking or recycling instead of driving can also make a difference. Everyone can do small things to protect the Earth. If we all work together, we can make the planet cleaner and healthier for future generations.

MODEL 10

Listen to the text and answer the following questions:

Today was my first day with a Bedouin family in the Sahara Desert. I woke up early to a cool sunrise over the sand dunes. I ate dates and drank camel milk. At noon, we walked across the warm desert until the heat made us rest in the tent's shade. In the evening, we enjoyed a colorful sunset, traditional bread, and songs by the fire. I slept happily on a soft carpet, excited for tomorrow's trip to the oasis.

1 simple 2 waste 3 lights 4 reuse

4. Read the following text, then answer the questions:

A) Choose the correct answer from a, b, c, or d:

1 c) scientist 2 b) puzzle game

B) Answer the following questions:

3 Brain games can help improve thinking skills and learning.
4 He plays action games and brain (puzzle) games.
5 His teacher says his thinking skills improved, and he can solve math problems faster.

5. Story

A) Write True (T) or False (F):

1 (F) 2 (T) 3 (F) 4 (T)

B) Answer the following questions:

5 Kaa, the giant python, helped them.
6 Because it keeps the jungle safe, fair, and peaceful for everyone.

6. Rewrite the following sentences using the word(s) in brackets:

1 We didn't go to school since it was raining heavily.
2 I took a shower after I had finished the game.
3 The movie was long. However, I enjoyed it a lot.
4 I haven't seen Omar for two years.

7. Complete the following dialog:

1 have 2 Who 3 hospital 4 Because

8. Write a text of ONE HUNDRED (100) words on ...:

Your own answer.

MODEL 2

1. A) Choose the correct answer from a, b, c, or d:

1 b) prepare their bags
2 b) Planning

B) Listen again and answer the following questions:

3 Politely.
4 They should eat healthy snacks and drink water.
5 A school day can be enjoyable if students follow some simple steps.

2. Choose the correct answer from a, b, c, or d:

1 b) Gravity
2 c) wisely
3 d) mental
4 a) -ness

3. Read and complete the text with the words in the box:

1 Ocean
2 bioluminescent
3 capture
4 species

4. Read the following text, then answer the questions:

A) Choose the correct answer from a, b, c, or d:

1 b) desert animals
2 d) fennec fox

B) Answer the following questions:

3 To lose heat and stay cool.
4 Under rocks.
5 The desert is not a safe place for people because it is very hot and dry.

5. Story

A) Write True (T) or False (F):

1 (T)
2 (T)
3 (F)
4 (F)

B) Answer the following questions:

5 We learn to be brave and loyal to the people we love.
6 Because many wolves no longer saw him as one of their own, and he loved the jungle.

6. Rewrite the following sentences using the word(s) in brackets:

1 He phoned me while I was sleeping.
2 He has just left his house.
3 The car stopped; as a result, Eman walked to the shop.
4 Always remember to bring your PE uniform.

7. Complete the following dialog:

1 amazing
2 What
3 Was
4 tent
